About Us

EduRishi Eduventures Pvt. Ltd. is a pioneering Ed-tech company dedicated to transforming the educational landscape through innovation, technology, and affordability. Inspired by the National Education Policy (NEP) 2020, EduRishi aims to revolutionize learning by providing comprehensive, multidisciplinary educational solutions. Certified by the Department for Promotion of Industry and Internal Trade (DPIIT), the company leverages cutting-edge technologies such as augmented reality, virtual reality, and AI to create engaging and effective learning experiences. Our Products, **S.T.E.A.M Quest**, along with our diverse range of **Project-based Learning, Multidisciplinary Learning, ICT Learning** resources and **Teacher Training Modules**, exemplify our commitment to fostering critical thinking, creativity, and holistic development in students. By ensuring that our high-quality educational products are affordable, EduRishi is dedicated to making quality education accessible, engaging, and impactful, paving the way for a brighter future in education.

Our CEO is certified as Innovation Ambassador by Ministry Of Education, Govt. Of India.
